The minutes of Lezayre Parish Commissioners Meeting held on Thursday 7th March 2019, at 7.30pm, The Community Hall, Clenagh Road, Sulby, Lezayre.

Members present: Mr K Brew (Chairman), Mr. A D Radcliffe (Vice Chairman), Mrs V Quane, Miss V Radcliffe and Mr J Teare. Mrs M Rimmer the Clerk took the minutes. There were no members of the public and no members of the press in attendance.

The minutes of the previous meeting held on the 7th February 2019, having being circulated, were taken as read and signed as a correct record by the Chairman.

Matters arising from the minutes

The clerk had been asked to write to the owner of a field on the Bride Road, but did not have an address. Mr Brew offered to deliver the letter by hand and stick it on the gate to the field.

The clerk advised that Miss Wylde from Tourism would be visiting our building next week to check if the brownie group could use our board room while they are staying in our hall for a brownie camp. She had advised that the fire services were fine with our boardroom being used for this purpose as it meets fire regulations.

The clerk advised that the two trees on the Clenagh Road that had been reported as requiring cutting back had been dealt with by DOI.

The clerk advised that she had heard back from DOI regarding our enquiry about placing a Wallaby sign in the lay-by at Quarry Bends. They had advised that as there is no prescribed sign for a wallaby and after speaking to Roads Policing Unit it was not appropriate to erect the sign. The members suggested that the clerk contact the owner of the property just outside the Wildlife Park to ask is they would be willing for it to be placed on their building.

The clerk advised that she had asked DOI about introducing 20mph speed limit through the narrow section of the Tholt y Wil Road and also pointed out that there is no “narrow lanes” sign when driving in a southerly direction. They had responded stating that the police accident data would not support a reduction in the speed limit in this area and that the 85%tile shows that the majority of vehicles are travelling at 29mph and police accident data indicates that there has been one reported incident in this location in the last four years. No response regarding the narrow lanes sign. The members asked the clerk to enquire again regarding a second narrow lanes sign.

The clerk advised that she had heard back from Andrea Hawley regarding our enquiry for flashing speed reminder signs for our village. The list had now been finalised but she did not know which locations had been scheduled and when. Hopefully we should know soon.

The members discussed further highway matters, some of which had been brought to the attention of Alan Hardinge when he attended a meeting last year. Deteriorating condition of St Judes Road and Claddagh Road (from Old Village up to the green bridge) – cutting back overhanging trees on St Judes Road. The clerk was requested to write to Alan Hardinge again about these matters, copying in Jeffrey Robinson, Director of Highways.

Mr Brew thanked Mr Radcliffe for removing the catering trailer from the field at Sulby Bridge.

The clerk was asked to make enquiries regarding future events as residents need to be advised of such events taking place.

**Mrs McNally** – email advising issues at Sulby Hall - The members discussed the issues raised two of which the clerk had dealt with already (noise and lights). With regard to planting to screen the car park from the house the members did not support. They feel this would impede drainage on the land. Clerk to advise.
