The minutes of Lezayre Parish Commissioners Meeting held on Thursday 3rd June 2021, at 7.00pm, The Community Hall, Clenagh Road, Sulby, Lezayre.

Members present: Mr A D Radcliffe (Chairman), Mrs V A Quane (Vice Chairman), Mr J Teare, Mr K Brew and Mrs V Radcliffe. Mrs M Rimmer the Clerk took the minutes. There were no members of the public and no members of the press in attendance. The clerk and Chairman from Michael District Commissioners (MDC) attended the meeting to highlight to the members their concerns regarding the introduction/expansion of the mini bus dial a ride service possibly affecting the regular bus services in the area. They had both attended a public meeting called by Patrick Commissioners where similar concerns were raised for changes to services in that area too. The dial a ride service should not be allowed to replace the regular bus service as the dial a ride cannot accommodate the elderly users and also wheelchairs. Comments were made regarding the problems in education where mini buses are required for school trips. Since the changes (school minibuses taken by DOI) it is difficult to book minibuses for this purpose. MDC were seeking our support and also that of the other Northern Authorities. Lezayre agreed to support MDC and also agreed that if a public meeting was called it could be held in our hall. The members agreed that Bus Vannin should provide a more efficient bus service. No minibuses. The clerk for MDC is to forward to Mrs Rimmer a copy of the various acts which show that Bus Vannin are operating outside the rules. MDC left the meeting at 7.15pm.

The minutes of the previous meeting held on the 6th May 2021, having been circulated, were taken as read and signed as a correct record.

The clerk was asked to check regarding allowing bouncy castles in the hall and to also undertake a risk assessment for potential use of the outside space, and then seek the cost of any additional cover from our insurers.
