Matters arising from the minutes

Mr Radcliffe congratulated everyone for the fun day on Saturday. It went very well indeed. Mrs Quane commented that it was a wonderful day. Mr A Brew thanked the Clerk for her hard work, which was echoed by Mr K Brew and Mrs Quane. The Clerk commented that although she pulls it altogether, support is given by the Commissioners and members of the public too. It was hoped that a Committee could be formed in the future to organise this event in the future.

The clerk advised that she has had a quick look at the light outside number 18 St Stephens Meadow but could not tell if the bushes had been trimmed to allow access to the lamp post door. It would probably be best to call and see the owner. The clerk is to ask the caretaker to trim the tree outside number 2.

Mrs Quane is to find out the name of the meat drying company so that the clerk can make the necessary enquiries.

Mr A Brew is to remove the trampoline from the field by the Sulby Bridge.

The clerk advised the members that the letter in relation to the Swimming Pools is still to be written. It was noted that Douglas residents do not contribute in their rates towards the National Sports Centre. Mrs Quane commented that Douglas Council gave the land for the NSC to Government for 25p.

The clerk showed the members the specially commissioned flag for the WWI Commemorations. They were very pleased with it. She also advised that she had met with Chris Clague to erect

The Commissioners briefly discussed the Fun Day. Mr Radcliffe advised that he had heard positive feedback regarding the day. A couple of points were raised. Confusion because of the sign at the Sulby Old Crossroads. We need to have a “parking available” at this point as people were parking on the Sulby Glen Road. One end of the Tug of War area had a slope downwards, which gave the team at that end an advantage. A suggestion was to use the running track next year.

Any other Business

Mr Teare spoke to the Commissioners outlining the problems he has on his land with drainage.
